# Southery W.I.

Sue Hilton welcomed everyone to our first meeting in The Village Hall for seventeen months, it was so nice to be back and doing something as close to normal as we can get at the present time.

Diane Edwards introduced Tony from the Welney Wetland Centre who gave us a lighthearted and informative talk with slides of all the work that takes place at the centre and the surrounding Ouse Washes. The WWT was started by Peter Scott in 1946 and the Washes now see around 75,000 Waterfowl in a year. We are hoping to visit the Centre at some time in the future.

Brenda Walsh gave us dates for diaries for a visit to The Theatre Royal in Norwich to see "The Sound of Music" between January 18th - 22nd 2022, numbers to be taken at September 2nd meeting.

At the September meeting we have "The Jammers" a musical group and at our October 7th meeting we have a talk by The RNLI

Our thanks to Maureen Sharman who kindly offered the use of her garden for a BBQ on Thursday August 19th.

Tony of Welney judged our flower of the month competition and awarded 1st Caroline Hainsford, 2nd Sue Stacey and 3rd Judith Legge

# Poppy Appeal 2021

The Royal British Legion are hoping to reinstate the annual "Poppy Appeal" in November and I am appealing for volunteers to join our small band of loyal helpers. A few more collectors would make our footsteps a bit lighter. If anyone out there feel they could help us out please contact me on 01366377641.

Thank you in anticipation.

## Village Voice Contacts

Residents of Southery may like to know that Three Million Wheelbarrows - The story of the Eau Brink Cut, has been published to coincide with the Bicentenary this summer of the Cut and the first bridge over the River Great Ouse at King's Lynn.

Three Million Wheelbarrows describes events leading up to the Eau Brink Cut from 1775 to 1821. Landowners wanted to straighten the River Great Ouse to improve drainage and protect their crops from flood. The merchants of Kings Lynn Corporation feared this would create such violent currents that the harbour and barge transport network would be destroyed. A massive feat of negotiation by elite local characters and Britain's legendary engineers was required to satisfy both factions, while the river tells of its resistance to human control and the impacts of our activities on the environment.

Three Million Wheelbarrows will interest local and family historians, possibly descendants of the thousands of craftsmen and workmen who worked on the project. Those using the river for leisure, or historians of drainage, early steam engines, engineering, transport or Fenland's Napoleonic wartime activities may also find useful information. Students of creative writing or the eco-humanities, combining history/geography with literature, ecology and the arts might also be curious.

Three Million Wheelbarrows -The story of the Eau Brink Cut by Kathleen Saunders is published by Mousehold Press and available from bookshops or [www.bitternbooks.co.uk](http://www.bitternbooks.co.uk) Tel: 01603 739635 Price £9.95 plus p+p.

Cllr Martin Storey agreed to follow up with Norfolk County Council in regard to the electric stay on Lynn Road Footpath and a ditch that had been filled in by a resident off Lions Court.

### **Update from Cllr Martin Storey**

- Nice to see everyone again of what has been a difficult time.
- The NCC have Council meetings at the Norfolk Showground.
- A lot going on at County and he is on four committees, a lot of officers were working from home. Over the past year officers and everyone has worked very well in trying circumstances.
- The Budget meeting was held at NCC in February and they decided to increase the Highways allowance that each County Councillor could grant within their own ward totalling £10k. And if there was anything it could be spent on highways related to let him know.
- The NCC Parish Partnership Fund 2022/23 was now live for applications with a deadline of 10 December 2021.
- A major issue for Highways is responses back to Parish Councils and he is aware of the issues.
- There was various information on the NCC website.
- The Borough Council's Local Plan was up to 2026 due for public consultation until the end of September 2021. The Parish Council was due to discuss at their meeting in September.
- The Borough Council had a new Leader called Cllr Stuart Dark.
- There was the issue regarding Queen Elizabeth Hospital and there were petitions that the public could sign. The Chair shared that residents had asked what the Borough Council were doing to get behind the campaign. The Parish Council agreed to write to Cllr Jo Rust in support of the campaign.
- He was also aware of the issue with the barn on Churchgate Street, and he discussed this at the Planning Meeting. The Planning Enforcers noted it and it was hoped that it could be tied into the planning.
- There were manhole covers out of Common Lane that he had reported to Highways.
- The manhole at the t-junction on Feltwell Road and Lynn Road had been reported again.
- Loose chippings on the A10 had been reported to him but this was common practice to avoid road closures on a major road.

### **83/21 Councillor Concerns**

- The Chair was going to walk the various right of ways in the parish.
- Cllr Crispin asked Cllr Martin Storey what the cost of the bridge on BR15.
- The Chair explained that the bridge placed illegally over the dyke near the Sandway had been removed and it was not possible to put another in as there was no legal right with not enough evidence to show 20 years use. The residents were walking the main route into the village but

needs to consider how and when to do it. The Clerk has added to the website for public information for now. The Council are due to discuss in September.

**Temporary Event Licences** - The clerk emailed the BCKLWN from May meeting on 11 May.
